

# Green Malahide

## Malahide Community Place and South Dorchester Community Hall are eco-friendly facilities.....

*Read on to discover some of the steps we have taken to lessen our environmental impact and to create a healthier place for you to be:*

- ☞ Facility-wide recycling program (plastics, aluminum, glass, paper)
- ☞ Corrugated cardboard recycling utilized during the entire process of occupying the facility
- ☞ ONLY non-toxic, highly concentrated, biodegradable, and plant-based cleaning products
- ☞ Reusable microfibre cloths — no paper towels for cleaning
- ☞ Misted air-freshening provided by essential oils in a passive dispenser (no hydro required)
- ☞ Meeting room chairs are Canadian made with recycled polyester fabric
- ☞ Hand soap in all washrooms is Green Seal certified — biodegradable and dye-free
- ☞ All office copying and printing is done on 100% recycled content paper
- ☞ Office supplies are made of biodegradable and/or recycled materials
- ☞ Paper towels in all washrooms have 100% recycled paper content
- ☞ Toilet tissue in all washrooms has 100% recycled paper content
- ☞ Floor and dust mops made from recycled plastic pop bottles
- ☞ Recycled plastic picnic tables (to come)
- ☞ Recycled plastic waste and recycling receptacles
- ☞ Recycled plastic park benches on site
- ☞ Administrative scheduling software greatly reduces the amount of paper used in the rental process

**WE ARE PROUDLY COMMITTED TO OUR GREEN EFFORTS!**
